Canada and U.S. dial **1-855-847-7767** or (450) 624-1611

Description: **CASASCAPES RUST REMOVER** is effective in removing rust from the surface of concrete pavers, wetcast & natural stones.

Features:

- Removes the spots caused by steel, water build up, fertilizer, etc.
- Washes off with water.
- Contains no muriatic acid.

For use on: Concrete pavers, wetcast & natural stones.

Please note:

1. Do not let product dry up on paver surface.
2. Wear goggles and rubber gloves.
3. After using the **CASASCAPES RUST REMOVER** on various spots, clean the entire paver surface with CasaScapes Efflorescence Cleaner for an overall uniform color.

Application instructions:

1. Apply product on stain.
2. Let it soak for 2-3 minutes.
3. Scrub with a hard bristle brush.
4. Rinse thoroughly with water.
5. Repeat step 1 to 4 until the stain dissolves.

Packaging:	Product	Size	per Box	per Pallet
